

# ASSESSMENT CHAMPIONS

CELEBRATING:

The Assessment Committee is now soliciting nominations for the 2025 Assessment Champion Awards. The committee welcomes nominations from the academic schools and divisions as well as from the co-curricular and administrative units.

*Assessment Champion Awards are presented each year as a way to recognize faculty and staff who have made a significant contribution toward promoting continuous improvement through assessment. **This year, we are giving special consideration to those who have made efforts in the adoption and alignment with the Graduate Attributes.** Example of assessment-related efforts include, but are not limited to, program assessment activities, classroom assessment activities, survey/data collection for assessment, program review activities, curriculum mapping activities, committee membership and involvement, professional development and scholarly activities, and leadership in advancing continuous improvement within one's school, division, department, or unit.*

Please select only one award category below

- **Continuous Improvement Drivers:** faculty and staff who lead efforts to improve the student experience through specific departmental initiatives.
- **Assessment Elevators:** faculty and staff who have made a significant contribution toward the development and innovation of assessment practices.
- **Data Heroes:** faculty, staff, and students who establish/design independent data-informed strategies for a department, activity, or institution.
