Building Coordinator: Christine Hannar (636) 949-4625

Building Background:

- Two Levels
- Fire extinguisher locations:
 - Lower level near elevator
 - Lower level near rear exit door
 - First floor near elevator
 - First floor in center of the building on the wall

Building Evacuation Route:

In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area.

- First floor: use the front entry door or rear emergency exit
- Lower-level floor
 - Exit through the rear emergency exit facing Auto Zone OR the rear exit facing Iwin Hall

All occupants, when exiting the building, are required to report to the assembly area for a building evacuation.

Evacuation Assembly Area:

- Upper Spellmann parking lot

Bad Weather/Safe Area: In the event of severe weather, all building occupants should seek shelter in the lowest part of the building (The Vault). If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.
